

**TRAVEL HEALTH & SAFETY WITH
DELFIN AMAZON CRUISES**

BEFORE BOARDING

Passengers (12 years old+) must send in advance their Covid-19 vaccination certificate with the full dose to travel aboard Delfin Amazon Cruises. Non-vaccinated guests must send a negative PCR Test result of a test taken no more than 48 hours prior to embarkation. This document must be sent to DAC commercial executive, otherwise, the passenger will not be allowed to embark.

Our entire crew takes antigen testing 3 days prior to embarkation and right before the embarkation.

TRAVEL SAFETY PROTOCOLS AT A GLANCE

FREQUENT HANDWASHING

Our staff and guests wash their hands with antibacterial soap and water on a regular basis for 20 seconds, followed by applying a sanitizing alcohol gel. On excursions, staff and guests use hand sanitizers.

MASKS

Delfin Amazon Cruises provides all staff and guests with masks, soap and gel hands sanitizers. Our staff is equipped with the recommended health and safety equipment. Passengers must use the mask and / or face shield as indicated by the staff.

REGULAR HEALTH CHECKS

Upon arrival and when disembarking, our staff will facilitate temperatura checks of guests onboard. Tempertarure checks on staff Will be daily. We Will have a paramedic on board.

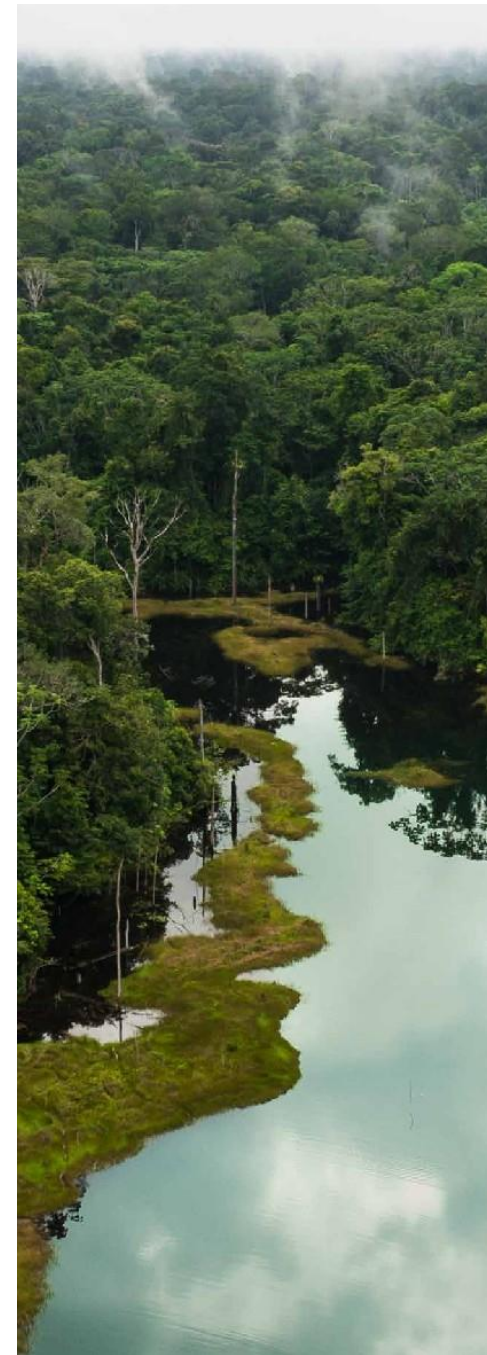

INTENSIFIED CLEANING

Cleaning and disinfection according to standards dictated by the Ministry of Health. Disinfection of areas with ozone before embarkation.

RECOMMENDED SOCIAL DISTANCING

We recommend our guests to keep a distance of 1 meter apart during socializing and jungle excursions. For children, social distancing must be of 2 meters. Delfin Amazon Cruises are small scale vessels with plenty of free space for guests to enjoy.
